A daring case of thefts took place on a broad day light yesterday. The family of the house were out of the place, they had been to a bazaar locking the door and windows. Three persons with masks entered the house through the back door. They took away the valuables. A like 50 grams of gold ornaments, an L.C.D TV, set and ready cash Rs 20000. When the family returned, they were surprised to find that the almirahs are open and things are in disorder.

Las Monday a similar case occurred in the village. We apprehended a gang is operating in the network. I would request you to have a spot enquiry and take step to trace out the miscreants to recover the stolen goods. I remain with a positive hope.
Yours faithfully
